UConn strives to provide a safe, secure, educational, and fun environment for our summer programs. The participant should properly conduct himself or herself at all times during the course of the program. A “Two-Strike” behavioral policy will apply. If an incident occurs in which a camper exhibits unacceptable behavior, they will be given a first warning and the program director will contact the parents. Upon a second offense, the camper will be subject to removal from the camp. Behaviors that are not acceptable (verbal or physical abuse, bullying, foul language, theft, etc.) are determined at the discretion of the Program Director.
